Testimonies of Rachel's Vineyard Weekend Retreats...

“For 18 years, I have been haunted with heavy guilt that no one could take away, tormented by thoughts of what my child would have been like. After participating in Rachel's Vineyard, I was finally able to forgive myself. I know that God has given me a peaceful mind, cleansed my heart, and has washed away my guilt.”

“I was terrified to take that first step forward and participate in Rachel's Vineyard. It seemed safer to remain hiding in the darkness, keeping the pain locked up deep inside rather than to risk exposing my shame to another person. Now I am grateful to have experienced God's healing and forgiveness with other women in an atmosphere of complete acceptance and trust. Rachel's Vineyard has been a blessing to me.”

Rachel's Vineyard

A Rachel's Vineyard Retreat offers a beautiful opportunity for healing for any woman or man who has struggled with the emotional and spiritual pain of an abortion .

The retreat offers a chance for you to get away from the daily pressures of work and family in order to focus on a painful time in your life and begin a healing journey.

On this retreat weekend, support will be available that is confidential and non-judgmental.

Rachel mourns her children. She refuses to be consoled because her children are no more. Thus says the Lord: Cease your cries of mourning. Wipe the tears from your eyes. The sorrow you have shown shall have its reward.

There is HOPE for your future.
