

Rachel's Vineyard Weekend for Healing after Abortion

Healing the Pain of Abortion

Rachel's Vineyard, a program for healing from an abortion experience, runs weekend retreats that offer a beautiful opportunity for healing to any woman or man who has struggled with the emotional or spiritual pain of an abortion.

The retreat is a chance to get away from the daily pressures of work and family, to focus on a painful time in life, and to begin healing through a supportive and non-judgmental process.

Rachel's Vineyard retreat, written by Theresa Karminski Burke, Ph.D, focuses on God's love and forgiveness in a non-judgmental environment. The retreat is open and welcomes individuals of all denominations. Rachel's Vineyard strictly respects confidentiality and privacy. Rachel's vineyard Weekends are an opportunity for any person who has struggled with the emotional or spiritual pain of abortion. The weekend is a very specific process designed to help participants experience the mercy and compassion of God. It is also an opportunity to surface and release repressed feelings of anger, shame, guilt and grief.

Each weekend is run by volunteers who care deeply about the needs of participants. Many of the facilitators have suffered the same loss. The weekend is an opportunity to begin healing through a supportive, trauma-sensitive process. Rachel's Vineyard provides a non-judgmental, safe environment in which to begin your healing journey.
